

## **Musical entertainment and games afternoon at Silverpoint Court Residential Care Home**

**We had a fantastic time here at Silverpoint Court Residential Care Home on Monday 20 June, when we welcomed a wonderful singer who entertained us all, as we dressed in our finest hats for the occasion.**

We enjoyed some **ball throwing and target games** in the afternoon, which is always good for testing our hand-eye coordination.

Everyone said they'd had a wonderful day. *Great fun!*
