

## **New visiting booth at Silverpoint Court Residential Care Home**

**To make family visits more comfortable here at Silverpoint Court Residential Care Home, we have created a lovely visiting booth for our relatives to use.**

The booth was kindly put together by one of our family members and decorated by our Recreation and Well-Being Team with cheerful butterfly and flower decals, and uplifting quotes.

One family member can sit in comfort in the booth and enjoy a safe visit with their loved one. Feedback has already been very positive and we are delighted to be able to offer this in our **Home**, especially over the festive season.
