

## Pampering and painting at Silverpoint Court Residential Care Home

On Monday 28 June all our ladies looked very glamorous in the afternoon after our Hairdresser had visited us in the morning here at Silverpoint Court Residential Care Home.

In our middle lounge our ladies enjoyed **magic painting** and loved the **creatures** appearing before their eyes as they added water to their pictures.

Lily loved her butterfly's blue wings, Jean was thrilled with her turtle and Joan loved her cat – as it dried and started to fade she would paint it again so it didn't disappear!

## Sparkle quiz

In the afternoon we did the **quiz from the Sparkle's June edition** one-to-one with our residents; we collect them to see who's champion for the month.

**Sheila**, who had a wonderful birthday in the week, did really well with 26 out of 30 questions answered correctly. *Fantastic!*
