

Pet Therapy and balloon tennis at Silverpoint Court Residential Care Home

On Saturday 6 April we had a super visit from the lovely Skye, a Pet Therapy dog, who came in to spend time with our ladies and gents at Silverpoint Court Residential Care Home.

Our residents all loved stroking her and Skye enjoyed her treats. Pet Therapy **brings such joy** to our Home, we're already looking forward to our next visit!

In the afternoon we had a **lively game of balloon tennis** in our lounge, which is always popular.

We played music in the background and everyone worked really hard to reach and hit the balloon as it came their way – great upper body exercise. *We all had a lot of fun together.*
