

## Pub afternoon and pass the parcel at Silverpoint Court Residential Care Home

### Fun and games

On Friday 5 January, our Silverpoint Court Residential Care Home residents had a really enjoyable afternoon taking part in traditional pub games and quizzes.

Our activities included **Tin Can Alley**, **Connect 4** and '**Guess the Celebrity**'. Throughout the afternoon our residents also sang along to traditional **pub songs** and played musical instruments. They also enjoyed some traditional **pub snacks and drinks**. A great time was had by all!

### Pass the parcel

Our ladies and gents had a fun '**pass the parcel afternoon**' together and it was great to see everyone smiling and laughing as the parcel moved around our lounge as the music played.

The winner, when the parcel was eventually unravelled, won a **chocolate orange** which was shared around all those who took part. Everyone is looking forward to the next one to find out what the mystery prize will be!

*Such a fun game, with lovely memories from childhood.*
