

Queen of the Day at Silverpoint Court Residential Care Home

On Friday 22 December we celebrated Ivy's 104th birthday with a visit from the Mayoress of Castle Point here at Silverpoint Court Residential Care Home.

Ivy **celebrated in style like a true Queen** and was surrounded by all her friends and those that love her dearly.

She sat amongst her gifts of **flowers, balloons and all sorts of lovely goodies**.

Many happy returns Ivy, we're so thrilled you had a thoroughly memorable day.
