

Quizzes and bowling fun at Silverpoint Court Residential Care Home

On Sunday 1 May, we enjoyed a selection of quizzes in the morning with our residents at Silverpoint Court Residential Care Home, which are always a firm favourite.

*In the afternoon, we came together in our lounge for an array of **brain teasers** to get us all thinking, including:*

Some mind-bending maths riddles

A 'Match the song with the film' quiz

A compound word brain game (words starting with 'con' and 'mu', words ending in 'ology')

Some 'What tree am I?' riddles

...these were good fun and our ladies and gents were good at answering the questions!

We finished off with some **bowling** and a few of our top players won a prize. *A fun day enjoyed by all.*
