

Remembering the Queen at Silverpoint Court Residential Care Home

With the Queen's recent passing, we had a talk with our Silverpoint Court Residential Care Home residents about her State funeral.

We also read some **royal facts** and a lovely **poem about the Queen**, finishing with a **prayer** in honour of Her Majesty.

Our dining room is all ready for the funeral, with **royal bunting** and a **cut out of the Queen**, to make sure we remember and celebrate her life together on the day she is laid to rest.
