

Residents take aim at Silverpoint Court Residential Care Home

On Friday 29 January, Recreation and Well-Being Team member Julie Jaye had fun with our residents playing target games here at Silverpoint Court Residential Care Home.

They had lots of fun with **tin can alley**, **hoopla** and **bean bag target games**, laughing all the way as they took aim.

Great fun and a brilliant way to practice our coordination skills.

We're pretty sure our residents had more fun hitting Julie than the targets though!

Bean bag target
