

Seeing in the New Year with games and music at Silverpoint Court Residential Care Home

On Thursday 31 December we had great fun playing Tin Can Alley and Hoopla, complete with 60s music playing in the background, requested by our lovely residents here at Silverpoint Court Residential Care Home.

The aiming games are full of movement for hands and arms, as well as being great for hand-eye coordination. Above all they are great fun and everyone really enjoyed themselves.

Wishing everyone a Happy New Year!

Ready, set, aim!
