

## Silverpoint Court Residential Care Home celebrates Valentines Day

Our residents at Silverpoint Court Residential Care Home had a fun day celebrating Valentine's Day this week, with lots of singing, dancing and other themed activities including a quiz.

We welcomed performer **Mandy Farr** who sang some truly romantic songs which were thoroughly enjoyed by everyone.

Our ladies were presented with **chocolate roses** and our men received **love hearts**, as everyone enjoyed a romantic lunch together.

*Love was certainly in the air at Silverpoint Court!*
