

Silverpoint Court Residential Care Home creates seaside Showstopper Cupcakes

Well done to our residents and staff who created some fantastic seaside-themed cupcakes for The Great Nellsar Cake Off competition, decorated with umbrellas, chocolate stars and sweets.

Our Recreation and Well-Being Team commented;

"We enjoyed making cakes for the Great Nellsar Cake Off. Our residents enjoyed mixing the cake mixture and decorating each cake with pride. It took over three hours all in all. We went for a seaside theme as our residents informed us that this was what they enjoyed best when they were young."

We will receive a special gift for entering the competition. ***Well done everyone!***
