

Silverpoint Court Residential Care Home residents dock in Venice

Our Silverpoint Court Residential Care Home residents docked this week in Venice on Wednesday 12 May, aboard our *Silverpoint Liner*!

Passports were stamped, and visas checked, as we transferred to **St Mark's Square** for lunch in some lovely Italian ristoranti!

The rest of the afternoon was spent **sightseeing** and enjoying gondola rides around the canals.

The day also marked **International National Nurses Day**, so we also wanted to **celebrate our Carers** who have kept our loves one safe over the last year – so our residents raised their glasses to them in a toast on Italian Day. *Cheers to them all!*

Celebrating our Silverpoint Carers
