

## **Silverpoint Court Residential Care Home residents enjoy a nail pamper day**

**On Saturday 9 September we held a pamper session in the afternoon here at Silverpoint Court Residential Care Home.**

Our residents **nails were cleaned, trimmed and filed**, and then they enjoyed a nice **hand massage** with soothing lotion.

Joyce, Terry, Fran, Ron, Flo, Alan and Maureen all participated and enjoyed a very relaxing time. Alan had a shave and tidy up too!
