

Silverpoint Court Residential Care Home residents enjoy a sunny barbecue

We all enjoyed a barbecue with music together on Friday 7 August here at Silverpoint Court Residential Care Home.

We made the most of the wonderful weather in our garden and welcomed a **singer** to perform for us. He sang a super selection of songs and some of our ladies and gents enjoyed a boogie!

Many thanks to our superb kitchen staff who served a magnificent spread of **burgers and chips, salads and pastas** – the menu went down a treat with everyone!

Our staff enjoyed taking **selfies** with our residents and we all loved chatting and socialising, as the music filled our garden.
