

## Silverpoint Court Residential Care Home residents enjoy bowling and bingo

### Bowling with a song!

Our residents at Silverpoint Court Residential Care Home had a fun morning recently when we held a bowling competition, combined with a sing along!

Our ladies enjoyed the **bowling challenge** and **Joyce** was our overall winner. We all enjoyed listening to music together too and **Joyce C sang beautifully**.

### Bingo afternoon

Our residents have also enjoyed a **Bingo afternoon** this week.

Once again, **Carol** managed to win two games and run off with the **prizes!** Ha!

A nice cup of tea and a chat during the interval set everyone up for the final game. Everyone had a great time together and it was lovely to see everyone socialising.
