

Silverpoint Court Residential Care Home residents enjoy fresh fruit milkshakes and bingo

Our residents at Silverpoint Court Residential Care Home love the banana and strawberry milkshakes (with cream on the top!) that we served recently – Jean had two!

As a second choice we served **cranberry and lemonade**, however the milkshakes were a particular favourite, made with delicious fresh fruit too. *Yum!*

On Friday 19 November we hosted **5 games of bingo**, with a packed lounge of our residents.

We had some **lovely prizes**, including a Christmas angel and festive snowmen decorations that sit on the side with their legs dangling...these were snapped up first!

A great time was had by all!
