

## Silverpoint Court Residential Care Home residents enjoy Indian themed day

Our ladies and gents had a wonderful time this week, when we hosted an Indian themed day as part of our Nellsar Cruise adventure here at Silverpoint Court Residential Care Home.

Everyone enjoyed our **Coffee Morning**, which was very interactive with **Bollywood music** and **quiz questions**.

Our Chef cooked a wonderful **Indian cuisine lunch** too, with starters of naan breads and dips, followed by chicken curry for main and coconut balls with lemon sorbet for dessert. *Delicious!*
