

## Silverpoint Court Residential Care Home residents enjoy magic painting and Las Vegas quiz

### Water painting

Our ladies at Silverpoint Court Residential Care Home have recently enjoyed some 'magic painting' - painting without the paints!

Using water, they slowly paint over the templates to reveal the colourful pictures hiding below – birds, butterflies and even a ginger cat! Great fun and very therapeutic too, with **60s music** playing in the background!

### Quiz time

We also hosted a quiz recently, **themed around Las Vegas**.

Some of our residents did really well and we presented **certificates for their achievement**, which they were delighted to receive.

*Well done ladies!*
