

## Silverpoint Court Residential Care Home residents enjoy outing to Kings Holiday Park

**Our Silverpoint Court Residential Care Home residents had a wonderful time together at our local Kings Holiday Park on Sunday 28 August.**

There were lots of activities on offer including **singing and dancing**, which everyone loved.

Our ladies and gents tucked in to their **packed lunches, drinks and cups of tea** – and a sunny day wouldn't have been the same without an **ice-cream** or two.

*Everybody had such a super time and didn't want to leave!*
