

Silverpoint Court Residential Care Home residents enjoy skittles and coffee morning

We love a game of skittles here at Silverpoint Court Residential Care Home!

On Tuesday 21 September **Joyce and Joan** played a game together in our lounge where they showed off their skills. We played our favourite music too and everyone commented on how much they had enjoyed the morning.

On Wednesday our **coffee morning** was a fabulous full house! There was lots of laughter to be heard, with teddy boy music playing (relevant to this week's edition of *The Weekly Sparkle*). Posh coffees all around too, which are always much anticipated.

Relaxing at our coffee morning
