

## **Silverpoint Court Residential Care Home take trip to the Tiptree Tea Rooms**

**On Friday 20 October, six of our lovely ladies from Silverpoint Court Residential Care Home enjoyed a jolly trip to the Tiptree Tea Rooms.**

Our ladies all enjoyed a hot cup of tea and a freshly baked scone with a choice of jams. We all ventured through the museum and our residents thoroughly enjoyed seeing all the different machines used in the 1800s to make jam.

Lastly, we all went into the jam shop to do some shopping!
