

Silverpoint Court Residential Care Home wins third place in Nellsar Right Royal Jubilee Garden Competition

We are very pleased to announce that the Jubilee-inspired garden created by our Silverpoint Court Residential Care Home residents and staff has won third place in Nellsar's 'Right Royal Jubilee Garden Competition'!

As part of this year's **Platinum Jubilee celebrations**, we entered a **fun competition** running across all Nellsar's 13 Homes, to see who could create the best royal-themed garden.

The judging criteria were:

Creativity: How well the Jubilee theme had been executed in the garden design.

Collaboration: How well staff teams worked with and included residents.

Presentation: How well presented and eye-catching the garden looked.

Our submission read:

'Our residents are all hard at work to make our garden look good for the competition. Residents have built a bird table, painted stones, planted plants in pots and been filling up the bird feeders. They have been having great fun and have really enjoyed themselves!'

Nellsar's Operations Director **Glenda Osmotherly** and Recreation and Well-Being Manager **Viv Stead** had great pleasure in judging the entries last week and our wonderful garden caught their eye!

They commented:

'An eye-catching garden created with our Queen at the heart of it. Chairs of gold fit for royalty, waterfalls and birds. A fabulous space full of nostalgia, with some lovely seaside touches.'

We are so delighted to have **won £50 for our Residents' Fund** and have all been enjoying the wonderful garden we have created. *Congratulations to everyone involved!*

Sonya Lodge Residential Care Home were awarded **first prize** for their amazing Union Jack planting and crown pergola, whilst **St Winifreds Care Home** took **second prize** for their painted pots, patriotic planting and London themed decorations.
