

Skittles and puzzles at Silverpoint Court Residential Care Home

On Tuesday 24 May at Silverpoint Court Residential Care Home we were delighted to have our lounge full of residents who were up for a game of skittles!

Everyone had five goes each, as they just wanted to carry on playing! Lots of lively support and clapping when the skittles were knocked down. *Great fun!*

We then moved on to games of **Connect 4** which is also popular with our ladies and gents, who love the strategy of the game.

Our **new 'jigsaw corner'** got used by Jean who enjoyed singing to music whilst constructing her latest puzzle.

In the lounge our **residents asked for 50s music** to be put on, so we played some classics from the era that everyone could sing along to.
