

## St Patricks Day lunch and games at Silverpoint Court Residential Care Home

## Celebrating the Emerald Isle

Our residents had fun celebrating St Patricks Day on Thursday 17 March here at Silverpoint Court Residential Care Home.

We decked our lounge with **bunting, shamrocks and flags** and played lots of Irish music, for a real festival feel.

Everyone loved tucking in to their **themed Irish lunch** too – *delicious!*

## Bingo, balloons and more!

We've also had our usual busy calendar of fun activities over the week including **bingo** with our resident Tommy calling the numbers out, and our popular **coffee morning** on Friday 18 March, when we had a packed room of debate and chatter.

We've also played **balloon games**, with our winner Joy managing to do 30 hits in a row without the balloon hitting the floor. *Well done!*

Our **hydration trolley** has done the rounds with milkshakes for everyone to enjoy and our lovely resident Doris has entertained us

with her play **piano** playing.

On Monday 21 March we had a lot of fun with **pom-poms and party music**; our favourite dance moves came out for 'Agadoo', 'The Macarena' and 'YMCA' – *always such good fun!*

We do love a good pom pom!
