

Sunshine and fun at Silverpoint Court Residential Care Home

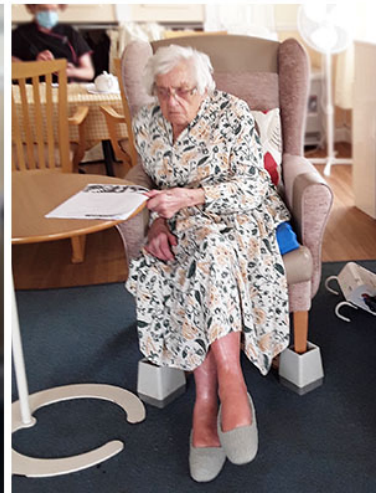

We had a lovely week last week here at Silverpoint Court Residential Care Home, making most of the lovely warm weather!

On Friday 17 June we hosted **three quizzes on general knowledge**, each with 25 questions, which went down a treat!

We also enjoyed a great game of **skittles**, with some very good players knocking them all down on their first go! Afterwards, we went outside and had some lovely **milkshakes**, followed by **ice lollies** later in the afternoon, as everyone enjoyed the sunshine.

Our ladies and gents have loved eating their **lunch 'al fresco'**, with music playing in the background and our garden as the perfect backdrop.

Our skittle and quiz stars!
