

Surprise birthday party for John at Silverpoint Court Care Home

Our lovely resident John was over the moon that staff at Silverpoint Court Residential Care Home threw him a surprise party in the garden for his 70th birthday on Saturday 27 June.

Residents gathered in the garden and staff wore fancy hats as they presented John with a candle-lit chocolate cake to celebrate. There was a fantastic party vibe and a few of us had a dance in the sunshine too.

Many happy returns John. *The smile on his face says it all!*
