

## Sweet treats and refreshing drinks at Silverpoint Court Residential Care Home

**On Monday 19 June our Silverpoint Court Residential Care Home residents enjoyed some popular ABBA tunes over lunch.**

We served **fresh fruit** and **South African fudge** for dessert which was very popular with our residents – *double yummy!* Everyone was in high spirits and the fresh fruit went down especially well with everyone.

*Big thanks to our kitchen team for preparing such tasty treats!*

We've been keeping cool in this hot weather with our **hydration trolley** in full swing, serving drinks whilst our little blue tooth speaker plays music as we make our way around to everyone - our residents are always very happy to see us!
