

Trolley treats and air hockey at Silverpoint Court Residential Care Home

Tempting treats

Look at our nutrition and hydration trolley here at Silverpoint Court Residential Care Home, doesn't it look delicious with creamy milkshakes for everyone to enjoy, plus custard tarts with fresh strawberries – yummy!

Air hockey

Our **air hockey table** has been a great success with our residents. In particular **Adrienne** and **Bert** have had fun with it, spending the best part of a morning playing together. *Great fun!*
