

Two birthdays at Silverpoint Court Residential Care Home

Double birthday celebrations

On Thursday 27 July we celebrated Irene's birthday here at Silverpoint Court Residential Care Home.

She loved her **homemade cake** and wore her **birthday glasses** as we all sang '*Happy birthday*' to her – looking gorgeous at 86 years young!

Her lovely **family came to celebrate** the special day with her, full of emotions and happiness.

On Friday it was our resident **Tommy's time to celebrate**; he said he was '*31 today!*'. We all sang '*Happy birthday*' to him and he enjoyed his **cards and balloons**. We all enjoyed making a fuss of our birthday boy!

Many happy returns of the day Irene and Tommy!
