

## Valentines Day celebrations at Silverpoint Court Residential Care Home

We enjoyed celebrating Valentine's Day here at Silverpoint Court Residential Care Home, when all our residents received a special card from our team to start the morning with love.

Our dining room was dripping in decorations, with love music playing and we could feel that love was in the air throughout our Home – the atmosphere was fantastic!

At lunchtime, we presented **chocolate roses** to all our wonderful residents and families, and some of our residents' loved ones stayed to enjoy our Valentine's entertainment – a **wonderful singer** who performed a lovely repertoire of love songs, with requests for 'more!' as they enjoyed her music so much.

Everyone sang along to the music, with dancing, clapping and tapping of legs – *a real day to remember!*
