

Valentines Day celebrations at Silverpoint Court Residential Care Home

Our residents at Silverpoint Court Residential Care Home enjoyed a wonderful Valentine's Day lunch with family members this month.

We gathered in our sunny conservatory and everyone was served a hearty home cooked lunch, which was delicious.

Our residents and visitors were surrounded by heart decorations and flowers, and were treated to special chocolates for the romantic celebrations!

Following the lunch, we all took part in a brilliant quiz which was great fun and a super way to bring everyone together.

Thank you to everyone who came to make this a really memorable event.
