

World Chocolate Day and painting at Silverpoint Court Residential Care Home

Chocolate heaven

It was World Chocolate Day on Friday 7 July (one of the sweetest days of the year!) and we were excited to celebrate it here at Silverpoint Court Residential Care Home.

We served **marshmallows and fresh fruit with a yummy coating of chocolate** on them, which delighted our residents. *Delicious!*

Pastimes

Our residents also enjoyed doing lots of **painting** last week, as well as **singing along to music**, with lots of song requests!

We held a **baby reminiscence** session too, when we changed our baby doll's clothes and talked about nappy changing and how things have changed including washing, buggies and schools. *A very good day was had, sharing our memories.*
